* If you have never had tinting with Spirit Health & Beauty Club before, we do require you to have a 24 hour patch test to see that you are not allergic to our brand of tint. We also advise you not to use the Jacuzzi, sun bed, steam, sauna or any heat treatment 12 hrs before or after waxing as this may cause sensitivity and possibly even scarring.

** Some treatments may not be available at your site, please check with reception for details and alternative treatments will be recommended.
